No. 11. TRADE UNION COUNCIL, RALEIGH, N. C.

A SAMPLE OF DEMOCRATIC "ECONOMY AND GOOD GOVERNMENT"

It has now developed that it will be necessary for the legislature to provide for issuing over six hundred thousands dollars of bonds to meet deficits and keep the State Democratic Administration going. Last year when it became necessary for Governor Aycock and his Treasurer to borrow two hundred thousand dollars, it seems that they tried to keep the fact secret. When letters were written to the State Treasurer asking if the State had borrowed that amount or any other amount of money, the Treasurer was slow in answering, and the facts were first given out by Senator Simmons in his speech in the Democratic State Convention, at which time he tried to apologize and explain away the causes for the deficit. The Democrats at that time attempted to charge that this \$260,000 loan was made necessary on account of the debts created by the former fusion administration. That charge was promptly denied and disproven with facts; but even if that charge were true, what explanation can Democrats now make for borrowing and additional four hundred thousand dollars?

The fact is that when the Democratic Legislature got control in 1898 there was in the hands of Treasurer Worth of the State over one thousand dollars in cash, and if that Democratic Legislature had not largely increased appropriations and expenses, including salaries for new offices created, it would not have been necessary to have borrowed money, sold bonds, or run the state in debt. This same Democratic Legislature required Treasurer Worth to sell one hundred and thirty-six thousand dollars worth of bonds which were purchased by the State in 1885 out of the surplus revenues that were raised, to pay the interest on the four per cent bonds. A former Democratic Treasurer had already sold one hundred and thirty thousand dollars worth of these bonds to meet former deficits created by Democratic legislatures. The remainder of these bonds were turned over in 1896 to State Treasurer Worth and by him were held intact and never a dollar of them was used to pay expenses created by the fusion legislatures, and it was not until another Democratic legislature came in power that they forced the sale of the remainder of these bonds.

So it will be seen that it was by the action of the Democratic legislatures that the whole amount of these bonds, that is, two hundred and seventy-two thousand two hundred and fifty dollars, had been sold to meet Democratic deficits; and that, in addition, they soon thereafter borrowed two hundred thousand dollars more. Now they propose to issue bonds to borrow four hundred thousand dollars more, making over six hundred thousand in all. This is a sample of Democratic "economy and good government".

AFTER THE FLESHPOTS AGAIN.

Every day there is renewed evidence of the apostasy of the Southern Democrats. They lose no opportunity in throwing bouquets at Wall Street and Tammany and the Northern and New England Democrats.

They lose no opportunity to make these elements understand that they are ready to desert their declared principles of 1896 and 1900 and to enter into a league with Tammany and Wall Street Democrats on any platform and with any candidate that will win and enable them to again reach the pie-counter and feed from the fleshpots. Almost every day we see declarations from Southern Democrats that they favor Judge Parker of New York for President. What does Judge Parker stand for? Nobody knows. He is a colorless "statesman". He has no defined position on any national question; has been a local reclus on the bench, and has never taken any part in national affairs. It seems clear that Wall Street is satisfied with him and that he is selected as the colorless candidate to enable the Southern Democrats to

support him because nobody knows what he will stand for until after he is elected, if he should be elected. The present situation illustrates exactly the sum and substance of Southern democracy, a party of negation, without principles except for campaign purposes, and ready to support any candidate that can get the backing of Wall Street provided it will enable them to win. They are now playing the same game that they played when they put Grover Cleveland in the White House.

The Washington Post ventures the following remark:

"The Maryland man who is asking for a pension because he was frightened during the war between the States will be sure to put a notion into the heads of the Boston folk who were so thoroughly frightened at the inception of our war with Spain. The scare up that way was so pronounced that the famous Mahan and his board of strategy took extraordinary means to protect Boston Harbor from the phantom Spanish fleets."

Gov. Aycock proposes to make the Bond issue \$500,000 instead of \$400,000 as was first proposed.

Had it occurred to the Governor and the Legislature that the Bonds would have to be met with 4 per cent interest some day. But then it is more than likely they do not anticipate having control of the State Government when that time comes.

Well things do point that way.

The Watts whiskey bill with its amendment passed the House of Representatives last Friday night. It will have to go to the Senate now and will probably have other amendments attached to it before it passes that body. This bill is said to have been drawn by Messrs. Simmons and Aycock.

AN AWFUL TRAGEDY IN RALEIGH

Mr. Earnest Haywood, a prominent lawyer, shot and killed Mr. Ludlow Skinner, in front of the Post Office Saturday afternoon.

Saturday afternoon Mr. Ludlow Skinner was shot and killed by Mr. Earnest Haywood. The shooting occurred in front of the post office, but it seems that very few, if any, saw the first shot fired, but it is claimed by many that the second shot was the fatal one. Mr. Skinner went across the street after he was shot and turned as if to come back to the post office, but fell near the street car track, where he died a very few seconds afterwards. The exact cause of the shooting is not known, but it is supposed it was on account of affairs connected with the Skinner estate, and some family troubles.

Both of the families are among the most prominent in the state. Mr. Haywood is a prominent lawyer of this city and Mr. Skinner was a prominent business man, and a son of Dr. Thos. Skinner, of this city. Haywood was committed to jail.

Escaped and Awaiting Fate

Mr. H. Haggins of Melbourne, Fla., writes, "My doctor told me I had Consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery and owe all to Dr. King's New Discovery. It surely saved my life." This great cure is guaranteed for all throat and lung diseases sold by all Druggists. Price 50c & \$1.00. Trial Bottles free.

She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. A SUSTAINING DIET.

These are the enervating days, when, as somebody has said, men drop by the sunstroke as if the day fire had dawned. They are fraught with danger to people whose systems are poorly sustained; and this leads us to say, in the interest of the less robust of our readers, that the full effect of Hood's Sarsaparilla is such as to suggest the propriety of calling this medicine something besides a blood purifier and tonic—say, a sustaining diet. It makes it much easier to bear the heat, assures refreshing sleep, and will without any doubt avert much sickness at this time of year.

How to Avoid Trouble.

Now is the time to provide yourself and family with a bottle of Chamberlain's colic, cholera and diarrhoea remedy. It is almost certain to be needed before the summer is over, and if procured now may save you a trip to town in the night or in your busiest season. PERSOAL TO SUBSCRIBERS

WE WILL SEND to every subscriber or reader of THE CAUCASIAN a full-sized ONE DOLLAR package of V. T. E. ORE, by mail, POSTPAID, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks or quack doctors or patent medicines he or she has ever used. READ this over again carefully, and understand that we ask our pay only when it has done you good, and not before. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. Vite-Ore is a natural, hard, adamantine rock-like substance mineral ore—mined from the ground like gold and silver, and requires about twenty years for oxidation. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water, drunk fresh at the springs. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Diptheria, Catarrh and Throat Affections, Liver, Kidney and Bladder Affections, Stomach and Female Disorders, La Grippe, Malaria Fever, Nervous Prostration and General Debility, as thousands testify, and as no one, answering this, writing for a package, will deny after using. Give age, sex and address.

This offer will challenge the attention and consideration, and afterwards the gratitude of every living person who desires better health, or who suffers from any of the diseases which have defied the medical world and grown worse with age. We care not for your skepticism, but ask your investigation, and at our expense, regardless of what bills you have, by sending to us for a package. You must not write on a postal card. In answer to this, address THRO. NOEL COMPANY DEPT. L. F., 527, 529, 531, W. North Ave., Chicago, Ill.

DOUBLE DEADLOCK

PANAMA CANAL TREATY OPPOSED BY SEN. MORGAN RENEWS HIS OLD FIGHT

Anti-Trust Law Deemed Ineffective. Statehood Bill Still Undisposed of. Senate to Honor Schley's Return. Vice-Louis Wilson Office.

Special to the Caucasian:

Washington, D. C., Feb. 23: During the past week the Senate has been confronted with a condition in the nature of a double deadlock. The ratification of the Panama Canal Treaty with the Colombian government has met with a decided filibuster by Senator Morgan who has all along opposed the proposed route and favored the Nicaraguan route. The Statehood measure continues to deadlock the Senate. The compromise measure providing for the admission of the territories in two states has met with the opposition of the Democrats who are in favor of the admission of the territories singly. To offset this, a proposition in the nature of a new compromise has been suggested providing for the admission of the territories of Arizona and New Mexico as one state coupled with the provision for making Arizona a separate State when attaining a population of 300,000. If the inhabitants so desired. The Democrats have raised an objection to this, however, on the ground that there is no provision for a census before 1910 and that no test could be made before that time.

The talk of an extra session of Congress or at least of the Senate which died out after the passage of the anti-trust legislation has been revived by the opposition to the ratification of the Canal treaty. And there is the Cuban treaty upon which action is very much desired, and less than two weeks remaining of the present session, with many of the appropriation bills yet to pass.

With reference to the anti-trust legislation which has become law, there is a feeling of dissatisfaction among those who are anxious that the power of trusts should be curbed that the legislation enacted does not meet the requirements. The Nelson amendment which is embodied in the Act creating the Department of Commerce provides for nothing more than the gathering of information regarding trusts and to enable the President to make recommendation to Congress based on the same. The Elkins Bill which was prepared and passed as a substitute for the Littlefield anti-trust bill does not strengthen but weakens the present anti-trust law. In short its effect is to remove the penalty of imprisonment provided in the Sherman anti-trust law against the officers of corporations who violate it and provides in lieu thereof a fine upon both the corporation and the officers for violations, so that the net result of the agitation for anti-trust legislation is repealing and removing from the Sherman anti-trust law the imprisonment feature, the only one that was greatly feared by the trusts.

The House Committee on Naval Affairs, at a meeting yesterday, tabled the resolution which had passed the Senate, providing that Rear Admiral Schley be given the pay and allowances of a rear admiral on the active list. The purpose of the resolution was to officially recognize the distinguished services rendered by Admiral Schley. This action of the committee removes all possibility of such recognition at this session of Congress.

A Associate Justice Shiras of the Supreme Court has presented his resignation as a member of that tribunal to take effect February 24. Former Secretary of State Day, of Ohio, has been selected as the successor of Shiras.

Vick, the negro incumbent of the postoffice at Wilson, who has been seeking a re-appointment, will lose the place. Dr. T. B. Person, Populist, ex-member of the Legislature, has been selected.

THE LIQUOR BILLS.

Senator Henderson moved that the Watts bill now on the calendar be set aside as a substitute for the London bill. This was done to place the whole matter before the Senate. The motion to postpone the London bill until the Senate acted on the Watts bill was carried. Mr. Webb sent an amendment to prohibit the manufacture and sale in towns of less than 300. Mr. London sent an amendment to section 3 by adding what is known as the anti-liquor provisions; add to section 6 a provision that any person desiring to sell wine made from fruit or grapes purchased from others shall secure a license and not sell in less than 5 gallons. Mr. Gilliam declared that the Watts and London bills were equally objectionable to him because they did not submit it to a vote of the people. No question of morals was involved because until total prohibition could be established this must be a matter of expediency. "This Watts bill is not a moral bill, but a political scheme aimed at the western distillers." This, he declared, was an abuse of the name of moral reform.

Mr. Webb changed his amendment so as to prohibit the manufacture and sale except in towns of over 200. Mr. Travis offered a substitute for Mr. Webb's amendment so that manufacturing and sale is simply prohibited in towns of less than 200 hereafter incorporated.

Mr. McMillan, Mr. Gilliam, Mr. Bellamy and others sent amendments that exempted Pasquotank, Brunswick, New Hanover, Wayne, Edgecombe, Tyrrell, Rockingham, Lincoln, Catawba, Wilson, Vance, Wilkes, Davie, Yadkin, Dare and McDowell, without a vote of the people.

Mr. Travis' substitute to Mr. Webb's amendment was adopted, 16 to 18, and then the amendment was adopted.

Other amendments were offered and the Senate adjourned until 8 o'clock at night.

HOUSE—TUESDAY.

THE REVENUE BILL.

Beginning at section 10, the first nine sections having been previously adopted, a large part of the revenue bill was adopted.

A lengthy discussion arose over the question of taxing physicians. The amendments were all voted down, and the section (31) was adopted, which imposes a tax of \$5 on all lawyers, physicians, dentists, oculists, photographers, opticians, osteopaths, or any person practicing any pretended art of healing for fee or reward.

Section 35, providing a tax of \$15 on horse dealers, was amended making the tax \$25 was adopted.

Consideration of sections 22 and 23, relating to the income tax was postponed.

A number of bills were ratified.

WATTS BILL PASSED.

Tuesday night the Senate passed the Watts whiskey bill as it came from the House, of which we will give a fuller account next week. The London bill was withdrawn.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child grows too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling how to get it, including many of the thousands of testimonial letters received from sufferers cured. Worry

Almost Unnerved Me—Heart Pains.

Short of Breath, Faint and Languid.

Dr. Miles' Heart Cure and Nerve Cure Me.

"It has been five years since I was cured of heart trouble by your Heart Cure and Nerve Cure, and I am just as sound as a dollar in that regard today. For several years I had been suffering with my heart. Breathing had become short and difficult at times, sharp pains about the heart, sometimes accompanied with fluttering would make me feel faint and languid. The least excitement or mental worry would almost unnerve me. I felt that the trouble was growing worse all the time, and after trying many remedies prescribed by physicians without obtaining relief, I was induced to give your Heart Cure a trial. I was relieved the second day, and after taking three or four bottles all symptoms were removed and have never shown signs of returning."—REV. GEO. W. KILACOFF, Chino, Cal., Va.

There are many symptoms of heart disease, which so closely resemble those of more common nervous disorders as to frequently mislead the attending physician. Often in cases of heart trouble the stomach, kidneys, liver or lungs become affected. Again the symptoms may be those of weakened nerves, as tired feeling, sleeplessness, timidity, the patient is easily excited and apt to worry without cause. If you have the least suspicion that your heart is weak study your symptoms and begin the use of Dr. Miles' Heart Cure, the great heart and blood tonic, without a day's delay.

MRS. HELENA BLAV, Young Milwaukee Society Woman.

Thousand cured women have written to tell how Wine of Cardui restores the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blav, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

"Wine of Cardui is certainly 'women's best friend' and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pain had left me and I felt like a new woman."

Any woman who is silently suffering untold pains because she is too sensitive to undergo a physician's examination and treatment can find no easier for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients.

Why not get a \$1.00 bottle of Wine of Cardui from your druggist today?

A million suffering women have found relief in Wine of Cardui.

A VERY FINE MUMMY.

Body of Priest Unearthed After Four Thousand Years.

The German Oriental society has been most successful in its explorations at Abu-Sir in Egypt, and most interesting finds were distributed among the Berlin museums during the month of October. One of the most important discoveries was a perfectly preserved mummy of Jen Em Jechet, the high priest of the temple, who died about 2000 years before Christ. The body was found in a family vault, which also contained the remains of his priest and reader and their wives. Only three tombs of such an age have been found in good preservation during the last century, and this is the first time that the contents have been brought safely to Europe. Jen lay in his coffin enveloped in a brown linen shroud, just as he had been placed there 4,000 years ago. In accordance with the fashion of the time, he has small side whiskers, and a longer tuft on his chin, and his eyes are made to appear unnaturally long by means of the careful application of rouge. The wig, which is large and parted down the middle, has a bluish tint verging on green, and must originally have been the color of lapis lazuli, in imitation of the hair worn by Egyptian gods. The mummy was lying slightly on the left side, as Egyptians sleep to-day, and the head rested on a support such as is still in use in the Sudan. The eyes are turned toward the rising sun. Two staffs were found beside the body, and a little wooden statue.

Miss Paine's Experience.

"I want to thank you for what you have done for me, and recommend Lydia E. Pinkham's Vegetable Compound to all girls who keep themselves standing on their feet in the store. The doctor said I must stop work; he said that a girl cannot afford to stop working. My back ached, my appetite was poor, I could not sleep, and menstruation was scanty and very painful. One day when suffering I commenced to take Lydia E. Pinkham's Vegetable Compound, and found that it helped me. I continued its use, and soon found that my menstrual periods were free from pain and that everyone is surprised at the change in me, and I am well, and cannot be too grateful for what you have done for me."—Miss JANEY PAIN, 530 West 125th St., New York City.—\$2.00 per bottle if original of above letter proving genuineness cannot be produced.

Autumn Twilight.

The low wind sounds a million drowsy lutes. The yellowing sunlight on the hillside falls: Alone, alone, one lingering robin flits And from the elm our golden oriole calls.

This is the season that she loved of old. Saying with darkened eyes that Autumn turned Her homelick heart out past the evening gold.

Sadly to some old home for which she yearned.

Gray hills and Norland homes—perhaps 'twas best From her own home she had not long to wait.

O evening stars that waken in the west. O happier worlds, came she your way too late?

—Arthur J. Stringer in Atlantic's Magazine.

IS YOUR HEALTH VALUABLE?

Disease is always a handicap; it cripples men for business and pleasure—sometimes temporarily, often permanently. Life is a continuous struggle, and the man or woman afflicted with a Chronic Disease is outclassed at every turn. In this age of sharp competition, no man can hope to be successful unless he is sound in mind and body.

During my long career as a specialist, I have seen thousands who are carrying around some chronic disease as a permanent handicap, which they could easily rid themselves of by the proper treatment. Any honest physician will tell you that these diseases are stubborn and obdurate, and a special knowledge is required to treat them successfully. My special fitness for treating Chronic Diseases has been acquired by twenty years of close application, devoted exclusively to their study and treatment. I have treated more cases than any other physician in the United States, and I thoroughly understand just what is required in each case. My specialty includes all chronic diseases, such as Stricture, Varicocele, Blood and Skin Diseases, Rheumatism and Kidney Complaints. Diseases of Women, etc., and my original method of treatment has proven successful in even the most obstinate cases.

I CAN CURE YOU AT HOME. I have perfected a system of home treatment which enables me to cure you at your own home, as I have thousands of patients who testify to my success, and send for complete remission blank.
